Dish & Design Catering Story

As promised, we are back and we are bigger, better and wiser than when we first opened a year ago. We have partnered with Coyote Grill & Catering who brings extensive local knowledge and a professional staff added to our 16 years experience in corporate catering. A year ago we knew catering, today we know Washington DC!

Dish & Design Catering Ordering and Customer Service

Our experienced office, sales and customer service staff makes ordering a breeze. We keep an extensive data base with your and your client's food, setup and delivery preferences and a record of past deliveries to ensure variety to make you stand out from the crowd. Not only can we accommodate that short notice order, but we can receive it by phone, fax or online.

Dish & Design Catering Food

Our culinary team knows the DC market and the quality you expect. Only the freshest ingredients and professional preparation procedures are used to ensure the finest dining experience possible.

Dish & Design Catering Delivery

Our experienced uniformed staff deliver throughout the metro area and beyond. Because they deliver to same areas everyday they know the shortcuts, parking, backdoors and office staff. You can expect a professional setup and presentation.

Dish & Design Catering Pricing

The best for last? We guarantee value. From casual luncheons to formal events, we surpass value expectations. And we know your expectations!
